

THE NORTH YORKSHIRE AND SOUTH DURHAM PHOTOGRAPHIC ASSOCIATION

RULES FOR THE CLEVELAND SALVER COMPETITION

1. The competition is for prints and is open to individual members of NYSDPA societies. It is held concurrently with the Inter-Society competition but is a separate competition with its own rules and is normally submitted to a separate judge.
2. The trophy, The Cleveland Salver, will be held for one year by the author of the print placed first by the judge. Marking will be out of a maximum of 30 and the judge will be asked to award first, second and third places with commendations to any entries considered to warrant them.
3. Each author is permitted to enter a maximum of one print.
4. Entries must be the sole work of the author and may be film based or digital originals. Processing may be digital or traditional chemical. Trade processing is permitted.
5. All prints shall be mounted on stiff mounts. The mount size shall not exceed twenty inches by sixteen inches (50.8 x 40.6 cm.). Prints exceeding this size will NOT be accepted. The mounted print shall not exceed a thickness of 3 mm.
6. Prints should be titled to aid identification and should bear the name of the author's society but **NOT** the name of the author. Entries should be submitted to the Association by the author's society competition secretary, who should ensure that the entries are accompanied by a full list showing each title and author.
7. Negatives, slides or digital images from which entries are made may only be used in one competition i.e. Inter Club prints only, Inter Club Projected Digital Images only, the Silver Salver only, or the Projected Slide Competition only. This is so that no image will be used more than once.

8. No individual may enter through more than one society. Contravention of this rule will result in disqualification.
